

FADE IN:

INT. KITCHEN - AFTERNOON

There is cooking being done in the kitchen. Walking in from outside is KAYCEE.

KAYCEE

Oh. Wow! Something smells great.
I'm starving.

MOM (O.S.)

Dinner's not ready yet! Don't eat
anything and spoil your appetite
though. It's almost ready.

Kaycee sees some cookies sitting on the counter. She looks around and goes to grab a cookie.

MOM (O.S.) (CONT'D)

Especially stay away from the
cookies. They are for later.

Kaycee looks around.

KAYCEE

What does she have a camera in here
or something?

Kaycee grabs a cookie and heads to the other room.

CUT TO:

KAYCEE'S BEDROOM - CONTINUOUS

Kaycee walks into her bedroom finishing the last of the cookie. She shuts the door.

KAYCEE

I'm still hungry.

Kaycee looks around to see if anyone's looking. She's a lone.

She goes over to a large teddy bear that is sitting on her bed. She grabs it and reaches inside of it and pulls out a large bag of potato chips.

KAYCEE (CONT'D)

Emergency chips for the win.

She starts to eat the chips and dance around the room really happy with herself.

Suddenly, there's a knock at the door. She goes to answer it but realises that she's still holding the chips.

She looks around but there is no where to stash them.

The knock happens again.

She shoves the chips up her shirt and answers the door.

In the doorway is Police CHLOE!

KAYCEE (CONT'D)

What can I do for you?

CHLOE

I think you know why I'm here.

Kaycee thinks.

KAYCEE

Was is the food dye that I put in the fish tank?

CHLOE

What?

KAYCEE

Huh? Nothing. I didn't say anything about food dye in the fish tank. That's crazy.

Chloe writes something down in her notebook.

CHLOE

We can discuss that later.

KAYCEE

(Mad at her self)

Man...

Chloe comes into the room.

CHLOE

No, I'm responding to a report that there is a missing cookie from the platter downstairs.

KAYCEE

Is that a crime?

CHLOE

This close to dinner? It's a life sentence.

Kaycee gulps.

KAYCEE

Well, I don't know anything about any cookie. So, sorry to waste your time. Ok. Bye bye now.

Chloe looks at Kaycee.

CHLOE

So you know nothing of the cookie?

KAYCEE

No. I don't know anything about a missing chocolate chip cookie.

Chloe goes to leave and stops. She turns.

CHLOE

I didn't say they were chocolate chip.

Kaycee realises she made a mistake and steps back. When she does the rustling of the chip bag can be heard.

CHLOE (CONT'D)

(Curious)

What was that?

KAYCEE

(Playing dumb)

Hmm? What was what?

CHLOE

I heard a sound.

KAYCEE

Probably the floor boards. It's an old house.

CHLOE

We only moved in a year ago.

KAYCEE

Old fixer upper.

CHLOE

We built it from nothing.

KAYCEE

Ghosts then.

Justin walks past the door as she says that.

JUSTIN
(Scared)
GHOSTS?

He runs. Chloe looks back.

CHLOE
Well. Enjoy your dinner.

KAYCEE
I will.

Chloe leaves. Kaycee shuts the door and pulls the chips out of her shirt. They are crushed but she doesn't mind. She drinks from the bag like it's a soda.

CUT TO:

INT. DINING ROOM - LATER

The table is set and dinner is on the table. Kaycee comes down to the dining room and she looks full.

KAYCEE
Oh man. I shouldn't have had that entire bag of chips. And that chocolate bar. Or those pretzels. Or that candy corn...wait. I didn't get candy corn last Halloween.

She thinks about it.

KAYCEE (CONT'D)
I think that was two years old.

She burps a little bit. Just then Chloe turns around in one of the dining room chairs.

CHLOE
Hungry?

KAYCEE
(Lying)
Starving

CHLOE
Have a seat.

KAYCEE
You know. I'm good.

CHLOE
But I have all this food for you.

Chloe pulls out a plate for Kaycee. It's stacked high.

KAYCEE
(Looking a bit green)
No. I'm ok.

CHLOE
How about...

Chloe holds up a cookie.

CHLOE (CONT'D)
A cookie?

Kaycee looks like she might be sick.

KAYCEE
No! Take it away! I can't. I'll be
sick. I'm sorry. I had some food
stashed away in my room and I ate
it all. Are you happy?

CHLOE
How would that make me happy?

KAYCEE
I don't know.

Chloe goes to put the cookie away.

KAYCEE (CONT'D)
Wait!

CHLOE
What?

KAYCEE
Can I have the cookie?

CHLOE
Are you serious?

KAYCEE
For later.

CHLOE
So, you are telling me that you
learn nothing from this.

Kaycee thinks about it.

KAYCEE
(Shaking her head)
Nope.

Justin walks in.

JUSTIN

I learned that we have ghosts. I also learned that I'm not one of them when I tried to phase through the hallway door.

Chloe and Kaycee look at him.

JUSTIN (CONT'D)

I also learned that we are going to need to get that door fixed now.

FADE TO BLACK.

END.
