

FADE IN:

INT. BEDROOM - MORNING

KEVIN's eyes start to flutter as he wakes up.

He looks around the room and yawns. He does a big stretch and sits up in bed.

Outside his window a giant dog is playing tug-of-war with a snowman and his scarf.

Kevin briefly looks out the window and doesn't think anything of it. He walks past the window scratching his butt.

He stops.

He races back to the window to have another look at what he thought he saw.

KEVIN
(shocked)
What? Dog! Big Dog! Why is there a
big dog? A snowman? What? I...

He runs out of the room.

INT. LIVING ROOM - CONTINUOUS

NICK is playing video games with a box of cereal between his legs. He's moving his hands about like that's helping with his playing and has his tongue sticking out.

Kevin runs in. He's out of breath. He tries to say something but is winded.

NICK
(Not looking at him)
Really? Winded? It's like seven
feet from your bedroom door.

KEVIN
Not...out...of...shape.
Hyperventilating.

NICK
(Rolls his eyes)
Sure, buddy. Tell it to the
treadmill.

KEVIN
Giant cartoon dog outside my bed
room window.

NICK
(Laughs)
Was he trying to get Snowman's
scarf again? That silly dog.

KEVIN
What?

Kevin realises that Nick is also a cartoon version of
himself.

KEVIN (CONT'D)
(Shocked)
Wait! You're a cartoon too?

NICK
I prefer the label "Toon-Dude" but
yes. So are you.

Kevin looks down at his own hands. He only has four cartoon
fingers.

KEVIN
(Scared)
What happened to my fingers?

NICK
(Still no looking up from
his game)
You're a cartoon. We only have four
fingers.

KEVIN
I went to sleep NOT a cartoon.

NICK
(Realization)
Oh. Right. Yeah. About that.

KEVIN
What. Did. You. Do?

NICK
I may have...

KEVIN
"May have?"

NICK

Found a old magic lamp, made a wish to be cartoons and changed our whole world into an animated existence.

KEVIN

I think I'm going to be sick.

NICK

Oh neat. If it was anything like mine it was rainbows and made a harp sound.

Kevin lurches behind the couch and is sick. Nick gets up and looks.

NICK (CONT'D)

Nope. Yours is like cotton candy.

KEVIN (O.S.)

Don't you think I can see that!

Nick sits back down and starts to play his game again.

NICK

Well, if that's how you're going to be about it. I won't even tell you the part about the lamp saying there's no way back to being human again without a massive dangerous quest.

Kevin comes up, cotton candy hanging from the corner of his mouth, he's so angry his eye is twitching and he's making strange sounds.

NICK (CONT'D)

I thought that would excite you.

FADE TO BLACK.

END.
